REMARKS

Claims 1-17, 56-69 and 126-128 are pending in this application. By this Response, Applicants have amended claims 1, 8, 10, 56, 67, 68, 69, 126, 127 and 128. Applicants respectfully submit no new matter was added by this amendment. Accordingly, claims 1-17, 56-69 and 126-128 are at issue.

The Examiner has maintained the rejection of claims 1-6, 8-17, 56-69 and 126-128 under 35 U.S.C. 103(a) as being unpatentable over Gosling in view of Smith. Applicants respectfully traverse this rejection.

In the Office Action of July 13, 2005, the Examiner indicated that the claims did "not require the remote computer to dynamically obtain data from the source, e.g., by periodically querying the source." By this Response, Applicants have amended each of independent claims 1, 8, 56, 67, 68, 69, 126, 127 and 128 to require periodically obtaining data from the source. Accordingly, Applicants respectfully request the rejection be removed and that all pending claims be allowed.
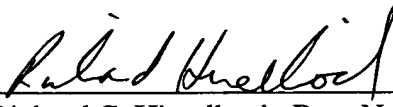

CONCLUSION

In light of the foregoing Remarks, Applicants respectfully submit pending claims 1-17, 56-69 and 126-128 are in condition for allowance. Accordingly, Applicants respectfully request reconsideration and allowance of the pending claims. The Examiner is invited to contact the undersigned at the number below if there are any questions concerning this Response.

The Commissioner is authorized to debit or credit Deposit Account No. 23-0280 for any payment **deficiencies or overpayments** associated with this matter.
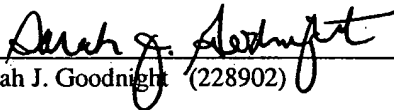

Respectfully submitted,

Dated: October 5, 2005
